2014 Design Excellence Awards Winners

Design in Time

Presented by the Florida South Chapter of the American Society of Interior Designer

Design in Time was an evening spent celebrating the creativity and talent of our design community, and also bringing an end to the 35th Anniversary of our Chapter. The night's festivities were held at the Design Center of the Americas - DCOTA, Dania Beach, Florida. The evening started with guests enjoying cocktails and delicious hors d'oeuvres, mingling and catching up with friends in Atrium A, enjoying the light sounds of nostalgic music from yesteryears. Guests then proceeded to Atrium B for the main event, the Design in Time Awards Dinner. Our Master of Ceremonies for the evening was, Stacey Davis, from Legrand North America.

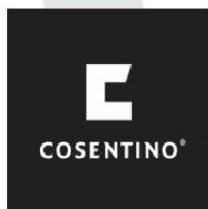

The celebration started off with the induction of the chapter's 2014 Hall of Fame honorees, followed by a Life Membership award presentation to Hal F. B. Birchfield, FASID. This national award is given by the American Society of Interior Designers to members for their contributions to ASID.

Joyce Shore, FASID, had the honor of presenting Hal with this award and reading Hal's "Reflections on Being Granted Life Membership in ASID" letter of acceptance. The entire letter can be found on page 11. Joyce then installed the new Florida South Chapter's Board of Directors for 2014-2015.

While enjoying the outstanding prepared dinner and desserts, Barbara S. Marini, FASID, IDEC, the immediate national ASID Past President shared how the society has evolved over the past 40 years, and how the society is preparing for the future. The society celebrates 40 years as an association in 2015. After the keynote address the Design Excellence Awards winners were announced. This year's contest proved to be the most competitive, with a 35% increase in entries. Winners and pictures of their work can be seen on the following pages.
